THINGS TO KNOW:

We can't wait to welcome your Kamper to Summer 2020 at Kanakuk! From bouncing off the blob to flying down the zipline, we know that a summer of fun is just what your child needs!

Your child's health safety is our #1 priority at Kanakuk, and in response to COVID-19, we're asking for your partnership with us in the following areas:

- **SELF-QUARANTINE:**

To help prevent the introduction of COVID-19 in Kamp, we're asking all Kampers to self-quarantine for 14 days. *Additional details can be found on the Health Screening Form, which will be mailed to you in advance of your Kamper's term at Kanakuk. Generally, self-quarantine involves avoiding large groups and exposure to non-family members.*

- **TEMPERATURE CHECK:**

All Kampers must check and record their temperature on the Health Screening Form for seven days prior to their arrival at Kamp.

- **GET READY FOR FUN:**

Be sure to review important instructions and updates for this Summer online at kanakuk.com/2020. This includes important changes to Kamper drop-off and pick-up procedures for Summer 2020.

For questions or more information, please email our wonderful registrars at reg@kanakuk.com or call 417-266-3000.

LUGGAGE

Prior to your Kamper's term at Kanakuk, you'll receive Kamp-specific luggage tags by mail. Please write your Kamper's name in the space provided and affix to your Kamper's luggage. Most families choose to send their Kamper's luggage to Kamp in a trunk, but a large duffle bag works, too! Please note that trunks must be no taller than 15.5" to fit under cabin bunks.

Kamper packing lists and luggage tags can be downloaded at MyKanakuk.com

VEHICLE ONLY DROP-OFF

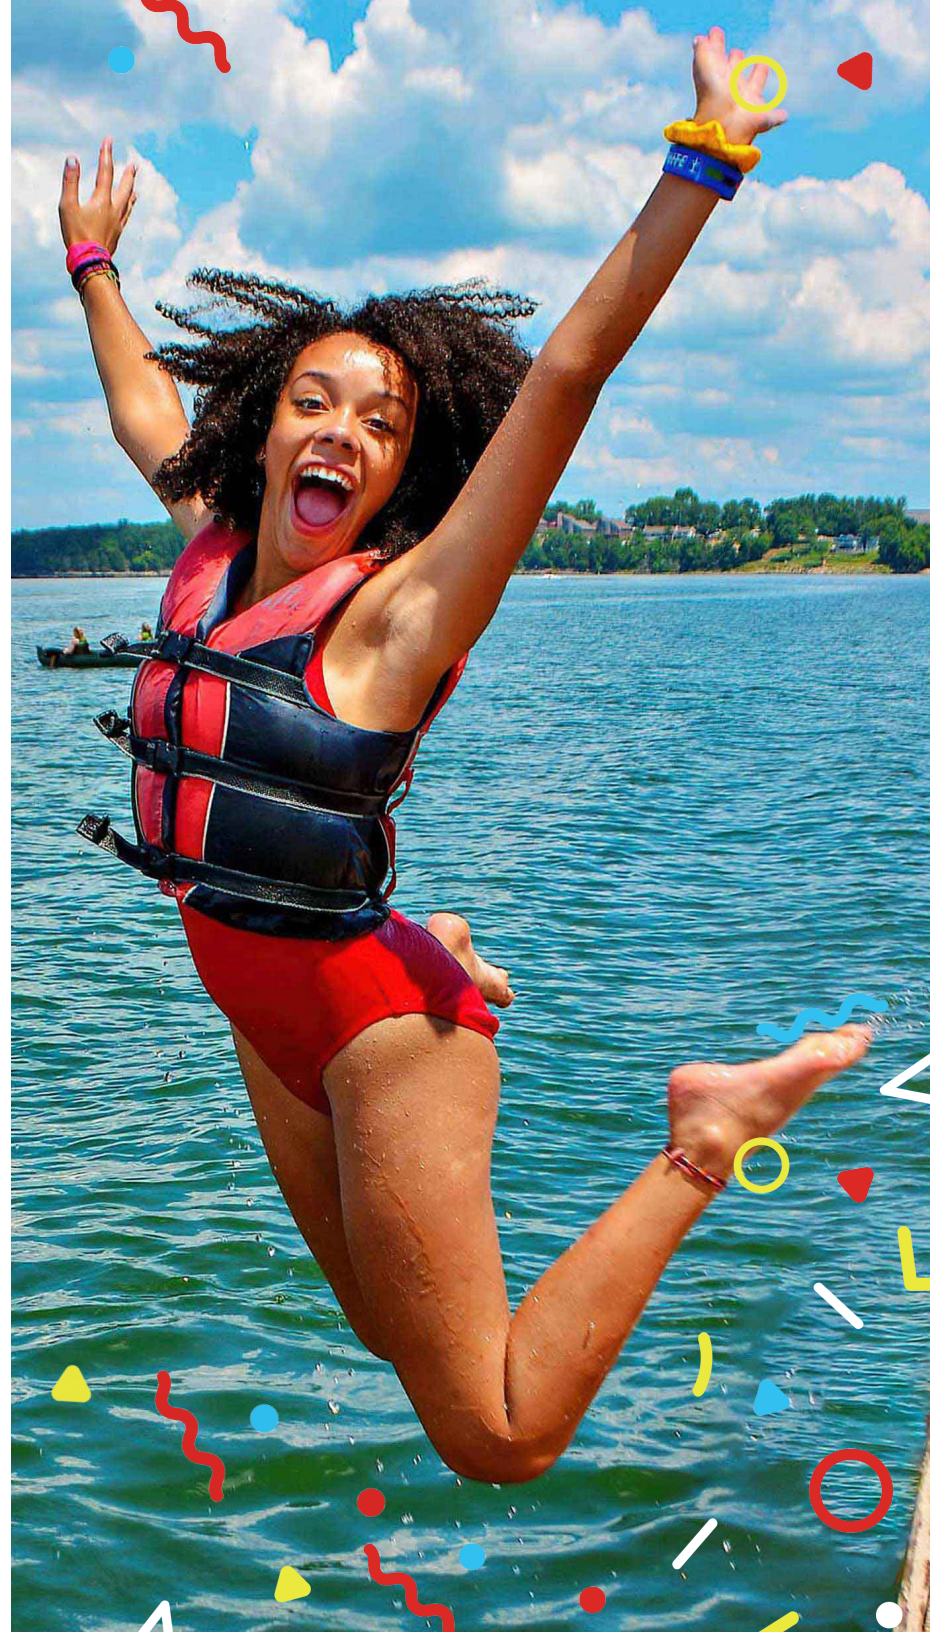

As we work to make our Kamps as safe as possible, we've streamlined our drop-off procedures for Summer 2020 and will not allow families to enter main Kamp facility areas during Summer 2020.

Upon arrival, our friendly, professional staff will bring all the excitement you've come to expect from Kanakuk as they check-in your Kamper, collect their Health Screening Form, and take their temperature—all from the comfort of your vehicle! Next, our awesome luggage guys will unload your Kamper's luggage, and get them ready for the BEST SUMMER EVER at Kanakuk!

This streamlined drop-off procedure for Summer 2020 will welcome Kamps during two windows, available by last name:

Last names starting with A-M: Arrive between 2-3 pm.
Last names starting with N-Z: Arrive between 3-4 pm.

If you have Kamps at Kamps in both Branson and Lampe, simply arrive as soon as you're able—we'll be ready for you!

PACKAGES

Kampers love letters, but during Summer 2020 we're asking for your partnership by refraining from bringing or sending packages to your Kamper in response to our COVID-19 Health and Protection Plan.
